The dream begins with a teacher who believes in you, who tugs and pushes and leads you to the next plateau, sometimes poking you with a sharp stick called "truth." ~Dan Rather

2010-2011 Content Standards Meetings

Locations and Days of Meetings

Math, English, Social Science, and Science meetings begin promptly at 1:00 p.m. after lunch. The location of the meetings will be at the Professional Development Center (PDC) except for dates indicated when we will meet in the Board Room. Refer to page 3 of this memo for specific dates and locations. Please plan ahead.

The PDC and the EMUHSD Board Room have been reserved for the corresponding dates listed on page 3.

2011 - 2012 Administrative Support Personnel at Content Standards Meetings

Site administration, especially principals and APIs, are responsible for keeping abreast of the information shared and decisions made at the Content Specialists' Meetings. It is the task of the administrators to determine how this will be done. The latter can be accomplished by attending the meetings, by having regularly scheduled site meetings with the specialists, or having each specialist report to the administrators after each meeting. Administrators should not rely on the minutes of the meetings to keep informed. The minutes do not give enough detail nor express the "emotion" shared when topics are discussed.

The task of the excellent teacher is to stimulate "apparently ordinary" people to unusual effort. The tough problem is not in identifying winners: it is in making winners out of ordinary people.

~K. Patricia Cross

*One looks back
with appreciation
to the brilliant
teachers, but with
gratitude to those
who touched our
human feelings.
The curriculum is
so much necessary
raw material, but
warmth is the
vital element for
the growing plant
and for the soul
of the child.*

~Carl Jung
