## **2010-2011 Content Standards Meetings**

### **Locations and Days of Meetings**

Math, English, Social Science, and Science meetings begin promptly at 1:00 p.m. after lunch. Water and snacks will be provided. The location of the meetings will be at the Professional Development Center (PDC). Please refer to page 4 of this memo for specific dates. Please plan ahead.

The PDC has been reserved for the dates listed on page 4.

### **2010 - 2011 Administrative Support Personnel at Content Standards Meetings**

**Site administration, especially principals and APIs, are responsible for keeping abreast of the information shared and decisions made at the Content Specialists' Meetings. It is the task of the administrators to determine how this will be done. The latter can be accomplished by attending the meetings, by having regularly scheduled site meetings with the specialists, or having each specialist report to the administrators after each meeting. Administrators should not rely on the minutes of the meetings to keep informed. The minutes do not give enough detail nor express the "emotion" shared when topics are discussed.**

*It is time to expect more from our children*

“The role of the teacher remains the highest calling of a free people. To the teacher, America entrusts her most precious resource, her children; and asks that they be prepared... to face the rigors of individual participation in a democratic society.”
